I just wanted to thank you again for your cooperation in releasing Steve Obertelli for the Hong Kong Premier Skills course. It was an intense week for Steve, where he provided practical sessions in the morning, followed by workshop sessions in the afternoon. I found him to be very professional, co-operative and hard working; a great asset to the programme, building a really good rapport with all the participants and other PL Coaches.

The Head coach, Jon Goodman, and our local partners have spoken very highly of Steve and the rest of the team, with their interaction with the participants & sessions. He is both a credit to himself and the Club.

Steve has been in contact since, mentioning that he found the week a very fulfilling and exciting experience, which is great to hear. We would be more than happy to have him on the course again, should the opportunity arise.

It's great to have your club really onboard with the programme and we look forward to working with you again as we roll out further.

I look forward to being in touch again

Kind regards

Kate Hodgkinson
